

## **Profile at a Glance**

### **Günter Umbach, M.D.**

Dr. Günter Umbach is a board-certified gynecologist, a former research fellow at the University of Texas, a member of the Institute of Management Consultants and the author of books in three languages.

Medical and marketing professionals benefit from his experience as a medical director and as a marketing director in the pharmaceutical industry.

He helps clients in twelve countries improve their performance and strengthen their market position.
